Welcome to *NetClassroom*. NetClassroom offers you online access to academic information, including grades, attendance, assignments and report cards.

NetClassroom is Easy to Use

- You can use the navigation bar at the top of the page to open new pages. For example, from the **Student** menu on the navigation bar, you can access the Assignments page. **DO NOT USE BROWSER BACK and FORWARD BUTTONS**
- You can select the information to appear on your Home page and calendar by clicking **Customize** on the navigation bar. **Do this first or you may not see special features, like the School Calendar.**
- Use the task bar at the left of the screen to control what information appears and in what format, and to view announcements. For example, on the Schedule page, you can select to display schedules in a list, grid, or calendar and select the academic year and term to show.
- On any page in *NetClassroom*, you can click links to open related pages. For example, if you click the course name Algebra I on the Grades page, the Course Catalog page for Algebra I appears.
- NetClassroom Ensures Each Family's Privacy

Parents. With your unique *NetClassroom* user ID and password, you can view academic records for your child or children. Other users cannot access your family's information.

Students. With your unique *NetClassroom* user ID and password, you can view your own academic records. Other students cannot access your information.
